- Bluetooth device

Wireless Bluetooth Speaker

The Outdoor Speaker

DESCRIPTION

The solid AC3519 Wireless Bluetooth Speaker plays your music everywhere. If we say everywhere, we really mean everywhere. Even during rough outdoor activities. The dust, shock and splash resistant housing protects the Bluetooth Speaker. Take the speaker along with you by using the flexible hanging loop.

The AC3519 is equipped with 2 speakers with integrated bass system. You will enjoy the ultimate sound experience. Besides that, the speaker also has several control buttons: volume control, play/pause, previous/next and for answering incoming calls.

Stream your music via Bluetooth from your smartphone and tablet to the outdoor speaker. You can also use the 3.5mm jack connection for connecting the speaker to your smartphone or tablet.
